California Tribal TANF Partnership	<p>The California Tribal TANF Partnership (CTTP) program utilizes federal and state funds to support a variety of temporary services to Indian families. An eligible Indian child must reside in the home and meet the financial eligibility criteria.</p> <p>These temporary services include cash assistance, educational activities designed to increase the family self-sufficiency, welfare diversion assistance, and supportive services.</p> <p>Families are required to: show proof of their county of residence, that their children are members of a federally recognized tribe or a descendant of the California Indian Judgment Rolls and that the family income does not exceed allowable limits. Once a family is determined to be eligible for Tribal TANF services, the following TANF assistance and services may be available to the family.</p> <p>Families provided TANF services are required to engage in valid work activities up to a minimum number of hours per week, unless they meet CTTP's exemption criteria. A CTTP caseworker or site manager will be able to answer any questions and assist families to complete applications and to determine if the family is eligible.</p>	530.252.4112	1626 Main Street, ite B, Susanville, CA 96130	<a href="http://Lassen.cttp.net">Lassen (cttp.net)</a>

Family Urgent Response System	<p>Family Urgent Response System (FURS) is a free 24/7/365 hotline for current or former foster youth and your caregivers to call and get immediate help for any big or small issues you may be having 24/7/365. You will be connected to a trained counselor or peer who will listen to you. FURS is a safe, judgement-free, and private space to talk about your worries and vent. The Family Urgent Response System (FURS) includes a statewide hotline as well as local mobile response teams to provide immediate trauma-informed support to current and former foster youth and their caregivers. Local mobile response teams are comprised of compassionate, trained professionals who are available to provide face-to-face support during critical moments. If you want more support, a team can come directly to where you are to help you work on the problem and to create a plan to help stabilize your situation and keep you safe. The team will follow-up by helping connect you and your caregiver to local services and support. Both the statewide hotline and local mobile response teams are available 24/7/365. Pathways to Child and Family Excellence	The Lassen County 0 to 5 Home Visiting Program is designed to help residents with children 0 to 5 become more purposeful parents. This program is available to pregnant women and parents, both mothers and fathers who are residents of Lassen County and who have a child between the ages of birth to five years old. By building on strengths the parents already have, this program will cultivate nurturing parent-child relationships and empathetic child guidance. The Parents As Teachers curriculum (PAT) is designed for pregnant, families and children ages birth to 5 years old. The PAT curriculum is brought to the family's home via a PAT-Parent Educator and Healthy Families America certified Home Visitor. The Home Visiting Program is funded by FIRST-5 Lassen. The Parent Educators are staffed through PATHWAYS. The program utilizes the Parent Educators in order to provide services to families that cater to each family individually and responds to all their needs that may be met by participating County Agencies. ASQ-3 developmental screening & ASQ-SE behavioral screenings for children ages 1 month to 5 and a half years are also provided by PATHWAYS staff members. Supervised Visitation services are provided on site by Certified Visitation Monitors	530-251-2997	2119 Main St, Susanville, CA 96130
